### **LATA/Parallax Employees Club Donates to Christmas Gifts for Children Program**

**PIKETON, OH** – The Employees Club of LATA/Parallax Portsmouth, LLC (LPP) recently supported the Christmas Gifts for Children Program with a \$500 donation. The donation, which was raised entirely by employee contributions, will be used to support efforts by the program to provide gifts for less fortunate children throughout Pike, Ross, Scioto and Adams counties during the upcoming holiday season.

LPP is the environmental remediation contractor for the U.S. Department of Energy at the Portsmouth Gaseous Diffusion Plant. The company was formed as a small business dedicated to perform the remediation safely and efficiently with a corporate office established at the Piketon site.
